STEVEN SCOTT MANAGEMENT NAMES MARK JENSEN CEO AND PRESIDENT

MINNEAPOLIS (April 11, 2016) – Steven Scott Management, Inc., a locally owned, St. Louis-Park-based rental property management company, today named Mark Jensen CEO and President, effective June 1, 2016. Jensen succeeds Barbara Halverson who is retiring after 44 years; she will consult with company management for a two-year period.

Jensen, who joined Steven Scott 28 years ago, is currently chief operating officer (COO) and chief financial officer (CFO). In these roles, he oversees the operations of more than 9,000 rental units, and the financial functions of the company.

“We are grateful for the outstanding contributions Barbara has made and for the strong foundation she leaves us with as we move forward,” said Scott Bader, Steven Scott principal. “Under her leadership, Steven Scott has become one of Minnesota’s leading property management companies. Mark knows our company and industry well, and with a strong employee team in place, we are in a great position to build on our reputation for excellent service and forward-looking innovation in property management.”

“I am honored to accept this new role and to build on the growth that we have achieved, which can be attributed to Barbara’s leadership and our employees and their commitment to delivering optimal results for our clients,” said Jensen.
